

Waiting on God

“And the Lord went before them by day in a pillar of cloud to lead the way...” – Exodus 13:21 How are you waiting on God? How do you determine if God is giving you the green light to move forward? Many workplace Christians make the mistake of adding up all the pluses and then concluding that God has given them the green light. Several factors go into making a decision from the Lord. It is important to do three things before you make a decision on a matter. First, you should gather facts. Fact gathering allows you to determine all the realities of a given situation. However, this does not ultimately drive your decision, but it can put a stop to it. For instance, if you were planning to build a shopping center and you knew the only way to lease the space was to rent to a porn shop; your decision would be made. God would not lead you to enter into unrighteous ventures. Second, is the Holy Spirit guiding you in your decision? “If the Lord delights in a man’s way, He makes his steps firm” (Psalm 37:23). God puts hedges around us, but many times we bull our way through the hedges under the guise of tenacity and perseverance. This too is unrighteousness. Third, has your decision been confirmed? God has placed others around us to be used as instruments in our lives to confirm decisions and keep us from the deceit of our own heart. “Every matter must be established by the testimony of two or three witnesses” (2 Cor. 13:1b). This is God’s way of keeping us within the hedge of His protection. “Write your plans in pencil and give God the eraser.”
